

IModuleInterface

```
graph BT; IGenericGraphRuntime --> IModuleInterface
```

A UML diagram illustrating an inheritance or implementation relationship. At the top is a white rectangular box with a black border containing the text "IModuleInterface". Below it is a gray rectangular box with a black border containing the text "IGenericGraphRuntime". A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that "IGenericGraphRuntime" implements or inherits from "IModuleInterface".

IGenericGraphRuntime
